2002 & 2003 ANNUAL MEETING EXTENDED ABSTRACTS

This section contains extended abstracts of several papers presented at the 2002 and 2003 South Carolina Academy of Science annual meetings. The Academy would like to thank all those who presented at past meetings. We encourage presenters at future academy meetings to submit extended abstracts for inclusion in this non-peer reviewed portion of the SCAS Journal.

David K. Ferris
SCAS Journal Editor-in-Chief
