

**COMMITTEE ON ACADEMIC RESPONSIBILITY
2001-2002 ANNUAL REPORT**

MEMBERS: Robert Lawther, Chair
Patricia McNeely
Bruce Fryer
Ronald Davis
Barbara Westphal

The Committee met once during the 2001-2002 academic year. At that meeting (February 27, 2002) the Committee considered an appeal from faculty members of the College of Nursing. The appeal remains unresolved because upon consultation with the Office of the General Counsel the file for the Appeal was forwarded to Counsel, and has not returned to the Committee.

Respectfully submitted,

Robert P. Lawther
Associate Professor
Department of Biological Sciences
College of Science and Mathematics
