## TO THE LAWYERS OF SOUTH CAROLINA

The University of South Carolina Law Library has 40,000 volumes of legal material on its shelves. Among these volumes are approximately 103 legal periodicals to which we have continuing subscriptions, the entire West Reporter System, loose-leaf services covering the fields of taxation, labor law and other phases of the law subject to rapid change, as well as the Code of Federal Regulations and daily Federal Register. The Library has recently received the briefs and transcripts of record of the Fourth Circuit Court of Appeals covering the period from the date of organization of the Court to the present. In addition, it receives copies of the appeal papers of our South Carolina Supreme Court.

The air conditioning system installed this summer makes our Library a comfortable and pleasant place to work during the summer months.

The Law Library wishes to make its material available to the lawyers of the State. We extend to you the invitation to make the Law Library the center of your legal research at any time you are in Columbia. We shall be most happy to serve you and to obtain any material needed in solving your problems.

Our Library is a State Library and as such we wish to give our State Bar all assistance possible.
