EDITOR'S NOTE

In an effort to produce a more effective Law Review publication a Business Board has been established. The Business Board will be charged with all the financial, technical and administrative duties concerning business affairs of the Law Review program including: advertising, subscriptions, printing contracts, reprints of back issues, budgets, supply and a multitude of similar business enterprises. The Law Review Staff and Editorial Board will continue to be responsible for the substantive phase of the publication. Personnel for the Business Board will be selected by application from the student body exclusive of Law Review students.

It is sincerely felt that this organizational move will materially enhance the efficiency and overall competency of the South Carolina Law Review to the mutual benefit of our subscribers as a whole and the South Carolina Bar and the students in particular.
