

REPORT: COMMITTEE ON CURRICULA AND COURSES

(For consideration by the Faculty Senate at its March 3, 2004 meeting.)

The Committee requests that any department which has a proposal being recommended by the Committee on Curricula and Courses provide a spokesperson to attend the Faculty Senate meeting in which said proposal is to be recommended.

Please contact Gary Blanpied (Physics & Astronomy) in advance if errors are noted, either by phone: 777-2599 or e-mail: blanpied@mail.psc.sc.edu

1. COLLEGE OF HOSPITALITY, RETAIL, AND SPORT MANAGEMENT

A. Program of Technology Support and Training Management

Change in curriculum - Addition of a new program Business and Technology Education within the Technology Support and Training program in the Undergraduate Bulletin

<u>Current Program</u>	<u>Proposed Program</u>
	<p>Business and Technology Education <i>(127 hours minimum for major)</i></p> <p>This major offers a degree program that prepares graduates for careers in Business and Technology Education. The program focuses on technology and educational courses along with internships and practica. The Technology Support and Training Management (TSTM) program is in the Department of Retailing in the College of Hospitality, Retail, and Sport Management (HRSM). This program offers a teacher certification program that prepares students to teach Business and Technology Education. The program includes a core of liberal arts courses, specialized computer technology, retail, marketing, and management courses.</p> <p>Progression Requirements and Coursework for Business and Technology Education</p> <p>To remain in a degree program offered by the College of HRSM, a student must make satisfactory academic progress toward the degree. To enroll in the professional program a student must complete 60 credit hours of course work and 14 credit hours of education core. Students who do not meet the specific course, semester hour, and grade point average requirements for progression must continue in the pre-professional division or change to another major. An overall GPA of 2.5 with a minimum of a GPA of 3.0 in the education courses is required.</p> <p>1. General Education (40-47 hours)</p> <p>Liberal Arts (27-33 hours): <u>Humanities:</u> Each of the following for a total of 21 hours. ENGL 101, 102, One ENGL course in the range of ENGL 282-292, One course in HIST, PSYC 101, SPCH 140, One course in Fine Arts</p>

	<p><u>Social Sciences:</u> Each one of the following for a total of 6 hours. One course in POLI and ECON 224</p> <p><u>Foreign Languages:</u> Students shall demonstrate in one foreign language the ability to comprehend the topic and main ideas in written and, with the exception of Latin and Ancient Greek, spoken texts on familiar subjects. This ability can be demonstrated by achieving a score of two (2) or better on a USC foreign language test. Those failing to do so must satisfactorily complete equivalent study of foreign language at USC (6 hours).</p> <p><u>Sciences:</u> (7-8 hours) Two courses from the following (one must have a lab) physics, astronomy, biology, chemistry, geography 201, 202, geological science, marine science</p> <p><u>Mathematics:</u> (6 hours): MATH 122 or 141 and STAT 201 or higher</p> <p>2.
