

REPORT: COMMITTEE ON CURRICULA AND COURSES

(For consideration by the Faculty Senate at its meeting on December 2, 1981)

The Committee requests that any department which has a proposal being recommended by the Committee on Curricula and Courses provide a spokesman to attend the Faculty Senate meeting in which said proposal is to be recommended. Please contact the committee chairman in advance if errors are noted.

I. COLLEGE OF HUMANITIES AND SOCIAL SCIENCES

A. Department of Aerospace Studies - *Approved*

In July the Senate, at the request of the Department changed:

AERO 411 ADVANCED LEADERSHIP EXPERIENCES III. (1)
AERO 412 PREPARATION FOR ACTIVE SERVICE. (No credit)

to

AERO 401L ADVANCED AIR FORCE LEADERSHIP EXPERIENCES III. (No credit)
AERO 402L ADVANCED AIR FORCE LEADERSHIP EXPERIENCES. (1)

Since this was a July action AERO 411 is offered this term and AERO 402L will be offered next term. This gives the students two credits when the Air Force only desires one credit. Since the student body will be the same next term as this term, the Department of Aerospace Studies and the Committee proposes that, for spring 1982 only, AERO 402L carry no credit.
