

UNIVERSITY OF SOUTH CAROLINA

COLUMBIA, S. C. 29208

COLLEGE OF ENGINEERING

August 8, 1985

To: Dr. Richard G. Silvernail, Secretary
Faculty Senate

From: Harry K. McMillan, Chair
University Academic Responsibility Committee

Subject: Annual Report, 1984-85

The University Academic Responsibility Committee held its inaugural meeting in September, 1984. During the fall semester meetings were held on a regular basis for two main purposes:

1. Writing and adopting committee procedures
2. Reviewing the hearing and appellate procedures for administering the Code of Student Academic Responsibility

The committee intends to recommend that several changes be made to the University procedures as a result of its study.

Only one petition for appeal was received during the year and the committee voted not to grant an appellate hearing.
