Motion  
Submitted by the Patent & Copyright Committee  
July 7, 1993

The Patent and Copyright Committee moves the following motion for adoption by the Faculty Senate with the Recommendation that it be established as University policy and inserted into the appropriate section of the Faculty Manual:

The 'Standard Equity' to be distributed to Inventors shall be defined as 40% of the income that remains after patent expenses (application, maintenance, licensing, litigation, etc. fees, as defined by the Office of Technology Transfer and the Legal Staff) have been deducted.
