III. The committee recommends the following new regular committee of the Faculty Senate.

Committee on Libraries

This committee shall consider and review matters concerning the status of the libraries that are under the supervision of the University Director of Libraries and will be attentive to the need for insuring continued high quality support for the proper function of the libraries. The committee shall make periodic reports, in addition to the annual report, to the Senate.

Membership of the committee will be:

1. Six elected faculty members - no college shall have more than two elected members and no department shall have more than one elected member.
2. Three presidential appointments.
3. The Director of Libraries shall be an ex officio member.
