BOOKSTORE COMMITTEE
ANNUAL REPORT FOR 1986-87

The Bookstore Committee met on April 9, 1987 in the office of Don Miles, Bookstore Director. Also in attendance were Dr. Richard Wertz, Vice-President for Business Affairs and William F. Rorie, Textbook Director. Mr. Miles and Dr. Wertz clarified aspects of the financial management of the bookstore for the committee and corrected newspaper reports that bookstore profits were used as discretionary funds.

The committee also discussed problems arising out of a professor's demand that used textbooks from his courses not be repurchased and resold by the bookstore. This matter was handled through subsequent correspondence between the bookstore and the professor in question.

No other matters were brought to the committee's attention in 1986-87.

Respectfully submitted,

Michael S. Smith
1986-87 Chairman
Bookstore Committee
