

## UNIVERSITY OF SOUTH CAROLINA

COLUMBIA, S. C. 29208

DEPARTMENT OF CHEMISTRY  
(803) 777-5263

REPORT TO FACULTY  
Committee on Curricula and Courses

The committee received 524 items which required action in the 1984-85 academic year.

Approved by Faculty Senate:

191	New Courses
43	Course deletions
233	Course changes
<u>11</u>	Changes in curricula
478	Total

Pending:

27	Approved by Committee
19	Under consideration

The committee received changes from 45 departments, with the majority from the College of Engineering, the College of Applied Professional Sciences, and the Department of Physical Education which had curricular changes or major new offerings.

Policies were developed to deal with course enrollment restrictions and certificate programs.

Respectfully submitted,

Scott Goode, Chemistry (chair) (1985)  
John Spurrier, Mathematics and Statistics (1985)  
Ina Hark, English (chair-elect) (1986)  
Susie Van Huss, Business Administration (1986)  
Mike Maggiotto, Government and International Studies (1987)  
Jennie Kronenfeld, Public Health (1987)
