The Committee, most especially the Chair, thanks Professor Karen Heid for stepping in to chair the Committee in the Fall Semester 2006 when Dr. Miller interrupted his service to take care of other University duties.

The Committee continued in its endeavor of streamlining the process for the 500-600 level courses by working closely with the Graduate Council (GC). The very collegial cooperation of the Graduate School's Assistant Dean Anthony Edwards and Associate Dean James Buggy are thankfully acknowledged. Also the Committee is thankful for the help of Associate Provost Karl Heider and Assistant Provost Aileen Trainer, in handling C&C matters.

In the April 13, 2007 meeting, the C&C committee elected Professor Ina Rae Hark as Chair for the 2007-2008 academic year.

The Committee wishes to thank Jeanna Luker for her invaluable contributions to the successful exercise of its mandate.
