

RESOLUTION PRESENTED BY
FACULTY SENATE STEERING COMMITTEE

Whereas the Faculty of the University of South Carolina has never before expressed its concern over inadequate formula funding and

Whereas the University is in danger of suffering an unprecedented shortfall in state allocations and

Whereas a constant erosion of the University's fiscal base has seriously jeopardized the mission of the University and its contribution to the State of South Carolina

Be it resolved that the Faculty of the University of South Carolina express its deepest concern to the Legislature over the serious inadequacy of the proposed level of funding.
