April 16, 2014

The Faculty Grievance Committee considered four faculty grievances, one of which is still ongoing. The grievances were handled in accordance with the mandate of the Committee as specified in the Faculty Manual (pp. 10, 22, 38-41, 47). In view of the confidential nature of the grievances, this report cannot provide additional details.

At the Committee's last meeting, Dr. Mathieu Deflem was re-appointed as Chair for next academic year, 2014-2015.
