REPORT OF FACULTY HOUSE BOARD OF GOVERNORS

TO FACULTY SENATE

SUMMARY OF 1981-1982 ACTIVITIES

SUBMITTED BY E. E. MERCER, CHAIRMAN

During the 1981-1982 year, major changes in the operation of Faculty House were made. The highlights are enumerated below.

1. Mr. Robert Funkerburk was hired as Manager of Faculty House to succeed Joe Barnes who retired.
2. The Faculty House Manager assumed complete responsibility for food services in August.
3. Qualifications for Associate Membership were changed and Corporation memberships were instituted. This broadened base of membership was necessary to enable the Club to become financially solvent for the first time in its history. As of June 1, the Club membership is:

| | |
|---------------|-----|
| Faculty/staff | 642 |
| Associate | 137 |
| Retired | 129 |
| Corporate | 24 |

4. Dinner service was made available on January 4, 1982.

In spite of large expenditures for necessary renovations to the kitchen facilities, the financial situation is improving, and with the continued support of the membership, appears to have a bright future.
