This Book is brought to you by the Imaging the Invisible at Scholar Commons. It has been accepted for inclusion in Handouts by an authorized administrator of Scholar Commons. For more information, please contact dillarda@mailbox.sc.edu.
Each of these pictures can be seen somewhere in the exhibit. Can you find them all?

To think about:

What or who is featured in these images?
Do you think the pictures look like what was really there when they were made?
Who made these images, and why? Are they really artistic, scientific, or even both?
